**Phone:** (909) 383-6799 (work)      (909) 383-6477 (work)  
or (909) 383-4631 (Caltrans Public Affairs)

## **DEVORE 2 – NIGHT WORK CONTINUES**

**San Bernardino County** – Caltrans is working toward finishing the Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the Interstate 215 (I-215) in Devore, just below the Cajon Pass. The contractor will continue with nighttime work and is expecting to complete the project by the end of February 2007, weather permitting.

The work to be completed is listed below:

- ✍✍ Approach slabs
- ✍✍ Paving and grinding
- ✍✍ Drainage and dike work
- ✍✍ Guardrail
- ✍✍ Striping

The night work will take place Monday through Thursday evenings. **Nighttime lane closures will be necessary down to one lane for the final work.** The southbound I-15 will have reduced lanes from 6 pm to 4 am and on the northbound I-15 from 10 pm to 8 am. There is no planned weekend work from Friday to Sunday for the duration of the project. The northbound I-15 connector to the southbound I-215 is subject to closure during the nighttime work hours.

**No work will take place Monday night, February 12, or on Monday night, February 19, due to Presidential holidays.**

### **Driver Advisory!!**

**Motorists on northbound I-15 may experience delays and are advised to take I-10 east to I-215 north to avoid the work. Caltrans urges those motorists to avoid the construction and adjust your travel time or take an alternate route. Plan ahead and allow extra time and patience if travel is necessary on I-15 during the nightly work hours.**

For more information on this project or other Caltrans roadwork, please go to our website at [www.caltrans8.info](http://www.caltrans8.info). You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have access to a computer, please call us at (866) 383-4631.
